Russ,

My apologies, I saw Kelcey's response and assumed only a cost package was needed. I will meet with Nevetta and Nancy this week to see what we can come up with for #1 on your email.

For #2, the enforcement specialist would need to submit a cost documentation request to Karren Johnson, if it they haven't already.

Thanks,

Joe

Joe - Below is a message that Russ asked me to send on to you. Sam Garcia asked, through John Works, for a cost package for OU 2 of this Site sometime around the Fall of 2011 covering the same timeframes. I don't recall seeing those but they may be in a file somewhere. We will want to share figures from the cost reports with Denver, so they need to be certified.
